Quartermaster Update

- Big trip this weekend, so quartermasters have big job. Adults get first dibs on tents. Everyone buddies up 2-3 per tent.
- We need adults to pull the trailer for Crow Island. Three current drivers will be canoeing in with the Northern Tier group, so we need new people to step up.
- Repair for hinges on trailer. David is expecting to get it repaired this week along with a check from the manufacturer. \$200 to do repair work.
- May want to think about tents, ground cloths, KP bins to add.
- Tested grills for G-troops, added utensil kits so we have kits for 6 patrols total.

Miscellaneous

- May do another apparel order in time for the BBQ in June to help make sure people are ready for summer camp and Northern Tier. Interest in new blankets.
- Event Coordinator Role – Patty to recruit.
